

11. NORDISKE BANDAGIST KONGRES  
KØBENHAVN 6.-8. SEPTEMBER 2018

## 11<sup>th</sup> Nordic Prosthetic and Orthotic Congress

### Call for abstracts

#### *When and where*

6. – 8. September 2018 at Tivoli Hotel and Congress Center in Copenhagen, Denmark.

The scientific committee for the 11<sup>th</sup> Nordic Prosthetic and Orthotic Congress invites you to submit abstracts for podium and poster presentations in all areas of prosthetics and orthotics:

Abstracts in English or Scandinavian languages within all areas relevant to prosthetics and orthotics are welcome and will be considered for the 2018 scientific programme through a peer-review process.

The Scientific Committee especially encourages submissions related to the following topics:

- Technological advancements within the prosthetic and orthotic fields
- Clinical outcome measures and quality assurance for P&Os
- Evidence-based practice in prosthetics and orthotics
- Clinical case studies

#### *Deadline for submission*

Please submit abstracts by email to [ata@ortos.dk](mailto:ata@ortos.dk) by 01. March 2018. Kindly specify if your submission(s) should be considered for podium presentation and/or poster exhibition. Authors will be notified of acceptance in June 2018 at the latest.

Please share this announcement with any colleagues who would be interested in attending.

Anders Tange

Head of Scientific Committee
